

# FWOA HALLOWEEN PARTY

**Saturday morning, October 21, from 10AM until noon.**  
( Rain date: October 22, from 2-4PM )

**VOLUNTEERS:** In order to do this, we need **7-8 volunteers**. Perhaps some parents of younger children could help with our party. This would also be a great opportunity for our older homeowners to help, get to know our neighbors, and enjoy the kids.

**DONATIONS:** Please consider donating a of bag of **sealed candy or toy alternatives** for our Trail of Treats. Last Easter we had about 40 children at our Egg Hunt. We would like to be sure each child leaves with lots of treats. Donations such as **juice boxes** would also be welcome.

**Donation Drop Off Date:** Saturday, September 30 or Sunday, October 1  
(Reason for this early date? School is out Oct. 7-15 and families will be busy.)

**Where:** 315 Sundown Road (A container with a lid will be next to our garage to deposit candy and toys.) **OR**  
Call/Text Pat at 256-9889 to arrange an earlier or later drop off date.

**1<sup>st</sup> Party Plans:** We will have goodies, games, tattoos, and crafts

**Goodie Table:** Cookies, juice boxes, Pirate Booty, & bottled water **1 volunteer needed**

**3 or 4 Fall Games:** Toss Game, Jumping Spider, Ring the Pumpkin, etc. All games will have toss distances for younger children and older children. **3 or 4 volunteers needed**

**Temporary Monster Tattoo Station:** **1 volunteer needed**

**Spider Craft Table:** **2 Volunteers needed**

(Kits are planned for ages 3-5 & 6 and up. Parents can work with the kids at the craft table or do them at home if the table is crowded or the kids want to do something else.)

**2<sup>nd</sup> Trail of Treats:** **All volunteers hand out candy down the trail.**

**3<sup>rd</sup> Costume Parade:** Prizes will be awarded in several areas - scariest costume, best boy costume, best girl costume, most unique costume, etc. Prizes will be real pumpkins for carving.

**4<sup>th</sup> Drawings for Webkinz stuffed animals:** In case you don't know about WebKinz, besides being adorable, they have a code attached which allows children to access games on the computer that are both fun and educational.
